

UNIDEN IMAGELINK

Experience simple, fast, and free access to Uniden ImageLink, your web resource for Uniden images. Make the web work for you with intuitive image catalog browsing, and instant downloading. For your choice of current full color, high resolution eps, tiff or jpeg files, Uniden ImageLink delivers with pure, simple, high-performance access.

DOWNLOAD DIRECTIONS

- 1 Go to **www.imagelink.uniden.com** or go to **www.uniden.com** and click on the ImageLink icon located at the bottom of the page.
- 2 Enter ***uniden*** for name, and ***images*** for password, then press the ***Submit*** button.
- 3 On the top bar, ***select*** the product category (Cordless, CB Radios, etc.) and select either the appropriate model name or "all products" from the ***pop-up menu***.

- Enter all or part of the specific product name by model number in the ***Model Search*** box located above the top bar.
- 4 Press ***Search*** to view your product with available file formats.
 - 5 Select the appropriate file types by clicking the correct check box in the ***Select*** column.
 - 6 Click the ***Add Selections to Cart*** button to view results in your ***Collection Basket***.
 - 7 In your ***Collection Basket***, click and hold the arrow (right click-Windows) in the ***Download*** column. Choose ***"Save this link/target"*** for Mac or ***"Download link to disk"*** for PC. Select your desktop or a place on your computer to save the image, and click ***Save***.
